

Binders

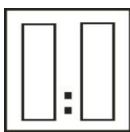

AK100 2K Topcoat Binder for Color Preparation

Product Description

Binder added into 2K solid topcoats to improve the gloss of the paint film.

Pre-treatment

See process described in TDS of Dobte Solid Topcoats.

Mixing Ratio

Stir well before use.

Solid Topcoats 100g

AK100 <30g

Note: AK100 should NOT be mixed into 1K basecoats or poor-covering 2K topcoats.

Strain before application
